

Enniskillen 2nd XV - 31 Instonians 3rd XV - 20

Enniskillen seconds played their third league game of the season at home to Instonians last Saturday, and having lost their first two games needed a good performance.

It was the visitors however who took the initiative and driven by some storming play by the evergreen Brian Wallace the visitors scored two quick tries. 'Skins were simply not putting in the tackles and were kicking away possession too cheaply.

A further Inst penalty gave them a 15 - 0 lead before skipper David Taylor began an inspired comeback with a try after a storming run.

In the second half 'Skins played much better rugby with the forwards driving at the Instonians defence and only at the right time releasing the backs. Scrum-half Dale McMaster kept 'Skins on the front foot ably supported by Taylor, Parke, Auterson and Leitch.

Further tries followed from Parke and Donaldson, and in the end Skins were worthy winners despite losing Richard Willis to injury.
